VOLUME LIV — UKIAH CITY, MENDOCINO COUNTY, CAL., FRIDAY, JUNE 16, 1922 — NUMBER 37

SUPERVISORS PROCEEDINGS

The board of supervisors of the county of Mendocino met in regular session at 3:30 p. m., June 12, all members being present.

The following transfers of county funds were ordered: From salary to 1921 county general, $33.60; from second road, 1921, to 1921 county general, $16.50; from estray fund to unapportioned county school fund, $34.28; from swamp and tide lands fund to county general 1921, $31.00; from tax sale deposit fund to 1921 county general, $262.03.

Ordered that the auditor transfer $200 from salary fund to law library fund for the 8 months from October 1, 1921, to May 31, 1922.

The California Grape Products Co. was granted permission to lay a pipe line along Bush and River streets of the Brunner-Briggs subdivision, on the condition that the pipe be laid in such a manner as not to interfere with working or draining the streets and that the California Grape Products Co. remove the line at their own expense if it should interfere with the working or drainage of the road.

It was ordered that the road between Wattenberg's and the city boundary of the town of Potter valley be reconstructed in sections and that the expense of such reconstruction be paid out of the county general No. 2 fund. The vote on this order was unanimous.

The engineer's report on the racetrack road was accepted.

June 13, 1922.

The board met at 9 o'clock, a. m., all members being present.

This being the time for opening bids on the Albion road and bridge in the 4th road district, the bids were opened and found to be as follows:

J. P. Holland—$1.25 per cubic yard for excavation; $1.25 per cubic yard for borrow; $2 per lineal foot for installing 18-inch corrugated iron culvert; $1.25 per lineal foot for installing 12-inch corrugated iron culvert; concrete head walls, $25 per cubic yard; stone head walls, $10 per cubic yard.

Rocca & Caletti—Excavation, 89c per cubic yard; borrow, $1.15 per cubic yard; 18-inch culvert, $1.00; 12-inch culvert, 75c; constructing Mills gulch bridge, $45 per thousand feet of lumber in place; bridge over Albion river, $58 per thousand feet of lumber in place; piling in place, 76 per lineal foot; concrete in place, $30c per cubic yard.

F. H. Warren and E. L. Titus—Constructing Mills gulch bridge, $495; bridge over Albion river, $11,364; reinforced concrete in place, $2,800; plain concrete in place, $920.

The bid of Rocca & Galetti for excavation of road and building of Mills gulch bridge accepted. Bids for Albion bridge rejected and ordered readvertised.

Bids on the Nash and Highway road were then opened and found to be as follows:

H. J. Strock—74½c per cubic yard for excavation including clearing right of way; lumber in place, $65 per thousand.

Baechtel & Pritchett—$1.18 per cubic yard for clearing and grading; $100 per thonsand for lumber in place.

Eades & Pinches—$1.20 per cubic yard for excaavtion and clearing; $45 per thousand for lumber in place.

David L. Sawyers—62c for excavation and clearing; $65 per thousand for lumber in place.

The contract was awarded to David L. Sawyers.

WORK PROGRESSING FAST ON NAVARRO STATE HIGHWAY

NAVARRO, June 14.—Splendid progress is being made on the highway construction work along the Navarro river. The steam shovel crew working from the coast have advanced up the river about a mile and a half, and the crew working down the river from Wendling have covered two miles. In both cases the road is being made full width and nothing is being slighted.

The Holland Company have first class equipment and all indications point to the fact that they will finish up the work this summer.

It is surprising how quickly the steam shovels work through a rocky point. An advance crew with air compressed drills shake the rock ledges up with dynamite and the shovels go through just as if they were handling loose dirt.

The route from Wendling to the coast, down the Navarro river and through the redwoods, will unquestionably be one of the most scenic drives in the state.

State engineers are now engaged in making a final survey of the proposed new road from Boonville to McDonald, and there are good reasons to believe that contracts for the construction of this road will be called for around the first of the year.

PROGRESSIVE DINNER

A number of the girls of the graduating class of the grammar school gave a progressive dinner Wednesday evening. The first course was served at the home of Ruby Crawford, the second by Miss Gertrude Steiert and the third by Miss Alice McCracken.

The evening concluded with a dance at Odd Fellows' hall, at which the following were present: Ruby Crawford, Gertrude Steiert, Alice McCracken, Vivian Giles, Elizabeth Squires, Audabel Thurston, Gladys Clark, Billy Hagans, Lloyd Cox, Logan Anker, Carl Amstein, John Rowe, Cyril Vassar, Lilburn Vassar.

Whitney May Enter Race for Assembly

From Willits comes the news of a new possibility for the race for assemblyman in the person of Judge E. M. Whitney, of that city. To date there is but one entry for the office, that of Atty. J. A. Pettis, of Fort Bragg, the incumbent.

Judge Whitney would make a splendid candidate as he is well and favorably known to a large number of people. He is a man of conservative, level-headed type and if nominated and elected has the elements of a very satisfactory assemblyman.

His friends are urging him to get into the race and there is a strong possibility that he may do so.

BAPTIST SUNDAY SCHOOL HOLDS ANNUAL PICNIC

The annual picnic of the Ukiah Baptist Sunday school was held last Wednesday at the Ford ranch north of town. Dinner and supper both were taken by the crowd, which numbered over 100.

In the evening devotional services were held, taking the form of the regular prayer meeting.

JURY HANGS

The jury in the case of the People vs. Wm. Owen, accused of transporting liquor into Round valley, could not reach an agreement Wednesday evening and were discharged by Judge Preston. The case will be tried again.

The jury stood 8 for acquittal and 4 for conviction.

SOUTH FORK BRIDGE TO BE PUT IN AT ONCE

E. L. Titus and crew have started to work putting the big bridge in across the Southfork of Eel river which will connect the Hollow Tree road with the highway. The concrete piers are in and all the timbers are shaped and on the ground.

Yokayo Pow Wow Plans Taking Definite Shape

City Park Will Probably Be Selected as Site of Big Tent. Indian Village May Become Permanent Feature Here

Daily meetings of some one or more of the twenty-odd committees having some part in the preliminary plans and arrangement for the Yokaya Pow-wow and Harvest Festival with prospects of the number of meetings constantly increasing now marks the progress of Mendocino county's greatest and most important educational and amusement project. Since its inception two weeks ago the fall Pow-wow movement has steadily increased in momentum and prospects continue brighter and more splendid as time passes, according to advices received at headquarters.

The Fair Association representatives and committeemen are not losing an opporunity to get the message of the Pow-wow to every public gathering wherever possible; daily publicity is appearing in some of the thirty or more newspapers to which copy is being sent from headquarters, and one by one the multiplicity of details are being worked out. The most important developments of the past week was the making of a slight change in the name of the fall entertainment by the executive committee. Originally it was decided to designate the entertainment as the "Yo-kay-o Pow-wow." Dr. J. W. Hudson of the Indian village committee called the executive committee's attention to the fact that the proper word, according to the real Indian vernacular is "Yo-kaya" instead of "Yo-kayo," hence the decision of the committee to make the change.

The committee has practically decided to change the site of the Pow-wow from the railroad property at the foot of Smith street to Highland Park and the large tract of vacant property immediately in front of the east side of the park. This will take the Pow-wow celebration further from the business district than had been anticipated originally, but it develops that the railroad property is not sufficiently large to house the big tents, Indian village, etc., and give any space for parking automobiles.

The Indian village committee of which C. D. Flowers is chairman, and Dr. J. W. Hudson and Dr. Robert Thomas members, has recommended to the executive committee that the Indian village to be constructed for the Pow-wow be made a permanent attraction at the park where visitors of Ukiah may call and

MRS. EGLIN HERE FOR SUPERINTENDENT CAMPAIGN

Mrs. Myrtle Eglin, of Albion, has been in Ukiah the past week preparing the groundwork for her campaign for superintendent of schools. She will spend several weeks in this vicinity, during which time she hopes to meet as many as possible of the voters of Ukiah.

Mrs. Eglin is making a very favorable impression as being a woman of more than average ability and personality and in every way qualified to fill in satisfactory manner the office to which she aspires. She will make a strong run here.

COAST COUPLE WEDS HERE

C. V. Whited and Miss Eileen Dillingham were married in this city by Judge Hurley last Saturday, leaving immediately after the ceremony on a motor trip to Los Angeles.

The groom is the son of Mr. and Mrs. Chas. Whited, of Willits and has been practicing dentistry at Mendocino. Mrs. Whited is the daughter of Mr. and Mrs. Ed Dillingham, of Navarro Ridge, and is one of the coast's charming girls.

The good wishes of a host of friends go with the couple.

N. S. G. W. GIVING FLAGS

The Native Sons lodges of the state are presenting the high schools with the Bear flag, the official flag of California this week. District Atty. L. I. Gibson presented the Willits, Ukiah and Point Arena high schools with the flags on behalf of the order this week.

Ukiah Movies Will Be Taken Saturday

Put on your best bib and tucker and get out on the street Saturday afternoon stepping high, wide and handsome, for that is when the movie man is going to be here to take the moving pictures of Ukiah that are to be a part of a film which is to be sent far and wide over the country to advertise the section north of the bay.

It is desired to have as many people on the streets as possible.

Besides the street views, many residences and points of interest hereabouts will be filmed.

TWO WEEKS SET ASIDE FOR TRIAL OF BIG SUIT

The suit of the Standard Livestock Co. vs. the Bank of California National Association, involving $86,655.10, has been set for next Monday morning by the superior court and two weeks have been set aside for it. A very formidable array of legal talent will be here, including Pillsbury, Madison & Sutro, of San Francisco, Thomas, Thomas & McCowen, of Ukiah, for the defendant bank, and Robert Duncan and John W. Preston, of San Francisco, for the plaintiff.

The suit arises out of the eviction of Ben Noonan from the Walker Valley ranch, when the ranch was sold under foreclosure to Howard. Noonan was occupying the ranch under lease.

Various cattle losses ran up to thirty-odd thousand dollars and the livestock company claims also $50,000 as profits it would have made had it been permitted to hold the ranch for the remainder of the time covered by its lease from McMurtry.

VISITS AUXILIARY

Mrs. Drendell, the state secretary of the Auxiliary of the American Legion, was in Ukiah last Saturday evening, visiting the local auxiliary. She was greeted by a large meeting of the Auxiliary membership, and gave a very interesting and instructive address concerning the work of the Auxiliary branches all over the state. Following the service of refreshments the company adjourned to the Legion hall, for dancing.

TO MOVE SHOVEL IN PIECES OVER BRIDGE

Supervisor Frank Reynolds, of the 5th district while in town this week stated that the Holland Company will take the steam shovel to pieces and haul it over the Navorro bridge in parts. This will necessitate a delay in starting work on the grade on the coast road south of the Navarro river.

THE WEATHER

The rainfall the past week was .91 of an inch, making a total for the season to date of $28.84, against 47.26 to date last season. The maximum temperature was 95 and the minimum 48.

BROADDUS SHUTS OUT THE FAST DURANT TEAM

Ukiah baseball team took the heavy hitting Durant team into camp Sunday to the tune of 5-0. Broaddus was in rare form, letting the Durant boys down with 3 hits and shutting them out. The game was the fastest one played in Ukiah for some time. The Motor boys tried hard from the start and for five innings the score was 0-0.

The Ukiah team is fast rounding into shape and good games are looked for in the future.

Blackie was out of the lineup Sunday, nursing a sore neck but was on the coaching line with the same old pep. Next Sunday the locals take on the Knights of Pythias, formerly the Headlights, the railroadmen's team, so come out and enjoy a good game.

The box score last Sunday was as follows:

Ukiah	A.B.	R.	H.
Smith, c. f.	4	0	1
Hooper, s. s.	4	0	0
Cockrell, 3b.	4	0	1

Summary: Two base hits—Anker, Smith and Broaddus; base on balls—off Broaddus 1; off Land 1; off Biggs 1; struck out by Broaddus 8; Land 7. Errors—Anker 1; Ambrose 1.

More Sales of Hops of Last Year's Crop

Three more sales of '21 hops were made here this week, Sanford Bros. selling 100 bales to Wasserman and 149 to the Wolf Hop Co. for 11c and the Ruddick estate selling 102 to The Wolf Hop Co. for 12c.

FREAK HAIL STORM DOES MUCH DAMAGE

Considerable damage was done by a thunder and hail storm which visited this vicinity last Friday afternoon. The hail stones were exceedingly large and were jagged in shape, and in two or three places they did a great deal of damage, stripping the grape vines and pear and prune trees and bruising and cutting the young fruit, besides knocking much of it from the trees.

The storm was freakish, as it struck only in certain spots, while neighboring territory was skipped. At Talmage there was no hail, only rain, while at the Cox ranch two miles south, there was neither rain nor hail.

NEW DEVIL

A new devil put in his appearance at the Dispatch-Democrat office last Friday morning. As it was press morning the new arrival threw a monkey wrench into the works, as his daddy, Ed. Michelson, is the principal factotum in the press room.

However, all's well that ends well and we caught the mall. Mother and son, Edward Donald, are doing splendidly.

LEGION DANCE SAT. NIGHT

The Native Sons orchestra will furnish the jazz for the dance to be given by the American Legion at the pavilion tomorrow night: This aggregation of musicians has won well-deserved popularity with Ukiah dance lovers, who look forward to a good time whenever they are scheduled to furnish the music.

CASES FILED IN SUPERIOR COURT

Through Frank Taft, Ralph E. Ramsey has filed a suit against Samuel Peterson to recover the sum of $953.47, which the plaintiff alleges he is out on a contract undertaken with Peterson. According to the complaint, Ramsey bought a piece of land from Peterson, part of the purchase price of which was a lot in Alameda county and the remainder to be paid in wood taken off the Peterson tract. Ramsey alleges that Peterson showed him land well covered with timber, which he alleged was part of the tract, but that when Ramsey undertook to fulfill the contract he found that the land he had bought had all the timber taken off, and that Peterson had defrauded him by showing him a different tract of land.

Through Attorney Taft, John Harms has brought suit to eject Samuel Ceigler from a piece of land near Willits, and to recover $500 damages and $30 a month rent from June 15, 1921, until the judgment is given.

Through A. L. Wessels, J. C. and P. L. Alexander have filed a suit to foreclose a mortgage and chattel mortgage on the former Larson ranch at the headwaters of Robinson creek, naming as defendants Mabel A. Walters, Shaw, Maxey, Fairchild and others. The sum sought is $5400, with interest at 6 per cent, and $575 attorney's fees.

Through M. H. Iversen and Will Van Dyke, Luther Redemeyer has filed suit against Walker Streeter and wife to eject them from property near Laytonville and recover $100 damages.

Through Atty. J. W. Kingren Daisy Iversen has filed suit in divorce against Christian Iversen, alleging desertion. The wife seeks the custody of the four youngest children and $60 a month support.

Through W. D. L. Held, Geo. Miller has filed a suit against Signe Miller, alleging that the wife beat him up and in other ways treated him in a cruel and inhuman manner. The couple was married July 11, 1917, in San Francisco.

Through A. L. Wessels, I. C. Burke has filed a suit to quiet title against J. L. McNab and other defendants.

Through Frank Taft, Elizabeth Huber has applied for letters of guardianship over the estate of Nellie Olsen, an incompetent, valued at $1300.

Through Thomas, Thomas & McCowen, J. D. Kerr has applied for letters of administration on the estate of his deceased wife, Julia Belle Kerr.

Through Mannon & Mannon, Josie F. Johnson has asked for letters of guardianship over the estate of Orcenith Vann, an incompetent. The estate is valued at about $2100.

Through Mannon & Mannon, Jesse Swift has applied for letters on the estate of Herbert A. Swift, deceased. The property is valued at about $3000, and consists of a house and lot at Talmage and several automobiles.

Through M. H. Iversen, V. L. Pesola has applied for letters on the estate of Lee Pesola, deceased. The value of the estate is indeterminate.

Through Peirsol & Stone, Geo. W. Bailey has applied for letters on the estate of Frank W. Bailey, deceased, valued at about $811.

SHERIFF CANDIDATE HERE

Ed Brown, candidate for sheriff, was shaking hands with the voters in town the latter part of last week. He was among the delegation from the coast to attend the Redmen's big pow-wow. He states that he will be back to make a thorough canvass of Ukiah in a few weeks.

DONATES DEER

Fred Simmerly was down from Spy Rock the first of the week on a short business trip. He has donated to the Ukiah city park a yearling doe, and the animal will be shipped to this place in a few days as a companion for the one already there.

News From the Nation's Capitol

WASHINGTON, June 9.—President Harding's plight resulting from the expose of Attorney General Daugherty recalls the famous toast to the ladies:

"We can't get along without them and we can't get along with them."

Fro mthe viewpoint of orthodox party men, it is inconceivable that President Harding will request Mr. Daugherty to retire. It was Daugherty who made President Harding what he is today, and it is generally beleived here that the President will stick to him regardless of consequences, through that mistaken sense of loyalty conspicuous in weak men and even in inexperienced men of greater strength of character.

On the other hand, to astute politicians as well as to the average citizen it is inconceivable that a President would retain as a member of his Cabinet a person under such a variety of attacks as the present Attorney General and retain his own self respect or show a decent respect to public opinion.

Many of the most important papers of the country, Republican and Independent, as well as Democratic, are demanding Attorney General Daugherty's resignation, and these are demands which apparently are giving the administration some concern, as witness the week-end cruise of the Mayflower, on which the President had as his guests Attorney General Daugherty, Secretary of War Weeks, Senator Harry S. New and the assistant Warwick of the administration, Chairman Lasker of the Chipping Board, the best advertising agent that ever occupied that position. It is understood that the Daugherty case was discussed, and the impression given out after the return to Washington is that the President will stand by Attorney General Daugherty.

If this impression is correct it is only another illustration of the close political and personal bond of friendship between the President and Mr. Daugherty. They have been lifelong associates, as close as David and Jonathan, McKinley and Mark Hanna or the Siamese Twins, lacking the physical membrane. And Atterney General Daugherty is the dominating spirit of the Harding administration. President Harding knew exactly what kind of a man he was putting in the Attorney General's office. Daugherty was his personal appointee, and President Harding must bear in a large measure the responsibility of Mr. Daugherty's acts, although his party must share the responsibility, for it was a Republican Senate which confirmed him against a nation-wide protest.

Morse Pardon Petitions Increase Moral Turpitude.

The attempt of Attorney General Daugherty to shield himself in the Morse case by getting behind the petitions for Morse's pardon signed by Senators and Representatives and other prominent men has not created the favorable impression evidently hoped for and expected. These petitions were obtained by the wife of Charles W. Morse based upon representations that Morse was in a dying condition, and few men are able to resist the appeal of a sorrowing wife and mother in such circumstances.

Instead of strengthening the Attorney General's position, it has strengthened the case against him in the minds of those who had taken the trouble to analyze it. It is admitted now that President Taft was deceived as to Morse's condition, and these Senators and Representatives obviously also were deceived. Therefore the moral turpitude of those who practiced the deception is all the greater because it was practiced upon such a great number of men actuated by humane feelings and motives.

Demands for Daugherty's Resignation by Own Party Press.

Among the prominent Republican and Independent papers that have suggested or demanded Attorney General Daugherty's resignation are the following:

New York Tribune (Rep.)—To date no sufficient reason is given why Mr. Daugherty should not write his resignation or why the President should not demand it if not voluntarily tendered.

New York World (Ind.)—Whatever obligation the President may consider himself to be under to Mr. Daugherty, he si under an immensely higher obligation to the American people to see that the administration of justice shall deserve public respect and confidence. Mr. Daugherty's fitness to hold his high office has been challenged in Congress, and a strong case has been made out against him. He has evaded answering his accusers. Is the administration so blind as not to see not only the political consequences of shielding the Attorney General against investigation but the immeasurable wrong it commits against the public in retaining at the head of the Department of Justice a man whose honor and probity are questioned?

Baltimore Sun (Ind.)—The disclosures regarding Attorney General Daugherty are not mere headline material for an edition or two. They may well give the administration real anxiety and concern. When a conservative Republican newspaper like the New York Tribune calls upon the Attorney General to resign, when the demand is echoed by the New York Herald and other important Republican journals, it is high time for the President to appraise the damaging effect that the revelations have had upon the country and to ascertain whether the administration of the Department of Justice is in the hands of persons likely to command public confidence.

Philadelphia North American (Ind.)—If Attorney General Daugherty retains a shred of regard for the President and the administration, he will resign without delay an office which has been put under a cloud by his incumbency. But the responsibility goes higher. President Harding owes it to himself, to his administration, and to the country to force the severance of an association which is no longer defensible.

New York Tribune (Rep.)—Unless Attorney General Daugherty has a beter defense of his relation to the unsavory Morse pardon than thus far has come from him or his friends he should relieve President Harding of embarrassment by a prompt resignation. . . . . Mr. Daugherty should never have been named as Attorney General.

New York Globe (Rep.)—The case against Mr. Daugherty is strong enough without additional incrimination. He knew that he was being hired, not to furnish legal advice, but to use his influence. On that understanding he took, or agreed to take, a large fee. He can clear himself only by proving that the Felder letter and his own signed letter and contract which Senator Caraway introduced into the record on Saturday are forgeries.

The misstep and the publicity and candal which have accompanied it are enough to retire Mr. Daugherty permanently into private life.

Philadelphia Public Ledger (Rep.)—The plight in which Mr. Daugherty now finds himself is one that threatens and affects the integrity of the Federal Administration. . . . When the integrity, veracity and the general qualifications of the Attorney General of the United States threaten to become a "campaign issue," the administration of Federal justice is embarrassed, impeded and clouded. . . . If the whole business is not cleared up now, it will go into the coming political campaign, and neither Mr. Daugherty nor his political associates will be the gainer. In the present estate and situation the Attorney General is a public liability and embarrassment.

Democratic Prosperity Versus Republican Disaster.

When Woodrow Wilson went into office as President in 1913, the estimated wealth of the United States was $180,000,000,000; when he retired at the end of eight years it was $300,000,000,00, a gain of $215,000,000,000.

The present estimated wealth of the United States is $225,000,000,000, showing a decrease of $75,000,000,000 in the fifteen months a Republican administration has been in power.

These figures were recently stated by Senator King (Dem., Utah,) upon the floor of the Snate. They are approximately correct.

The greater part of this loss has been sustained by the farmers of this country in land values, agricultural products and live stock values, although a part of this loss has fallen upon every industry and business and upon every form of property values.

All the arguments that can or will be made by Republican speakers cannot wipe out or materially change these figures. They are a concrete illustration within the understanding of everybody of what it means to have a Democratic administration and what it means in the way of disaster to have a reactionary Republican administration.

Miss Henrietta Wood came down from Potter valley on a short visit in Ukiah the latter part of last week. She will spend her vacation in Eureka.

REDWOOD VALLEY NEWS NOTES

REDWOOD VALLEY, June 14.—The local Farm Center held a very interesting meeting Tuesday night. F. A. Yates gave a splendid account of the recent Farm Conference tour in southern California. He took his subjects up by topics such as dairying, poultry, drainage, schools, etc. Farm Advisor Myszka gave some interesting figures showing the immense yields gained in alfalfa by the use of lime sulphur.

There was a memorial program at the Grange hall Sunday night, in memory of Ray Andrews. The ritual was very beautiful. The program was as follows:

Scripture, 33d Psalm....Paul Gohlke

The card party and social given for the members of the Grange and their families Saturday evening was a great success. The program consisted of a recitation by A. L. Ford, solo by J. R. Banks, story by Ed. Austin and recitaition by Clifford Smith. Refreshments were served. An enjoyable time is reported.

Mrs. Fred Goudge left Sunday for Bartlett Springs to be with Mr. Goudge, who is a very sick man. Mrs. Goudge will remain with Mr. Goudge until he is strong enough to come home.

Jack Winsby is seen frequently on the road in his new Chevrolet.

Mr. Hardwick, of Elk, has been employed as principal of the grammar school.

Bob Williams was in town from Willits Monday.

HOPLAND NEWS OF PAST WEEK

ELAINE SIERCK WEDS

HOPLAND, June 14.—The marriage of Elaine Sierck, daughter of Mr. and Mrs. Frank Sierck and Ray E. Hurlbutt of Alton took place Sunday at the home of the bride's parents. The ceremony was performed by the Rev. Holland, of Ukiah.

The bride, who is an unusually pretty girl, was most attractive in her gown of pink organdy and carrying a bridal boquet of pink sweet peas.

The bride and groom will spend their honeymoon around the bay after which they will reside at Alton where the groom has a position with the Northwestern Pacific Railroad Co. The bride has had a position with the same company, having been stationed at Scotia for the past three years.

The young couple have a large circle of friends who extend congratulations.

The students of the high school gave a very delightful dance at Brook's hall Tuesday evening in honor of the graduating class. The music was furnished by Miss Dorothea Dooley and Dyle Graham.

The following are the students who graduate at the commencement Thursday night: Beatrice Shimmin, Evelyn Cockrell, Alice La Franchi, Avis Bowdish, Leland Meyers, Normie Graham, George Sierck.

W. C. Coulter, architect, made a business visit here Sunday.

The board of high school trustees motored to Willits and Redwood valley Sunday, where they met with the board of trustees of the Willits Union and Redwood valley schools. New school buildings are just completed in these two districts and the object of the visit was to inspect these buildings. The visit was a very pleasant one as well as instructive.

Mrs. Mildred Wood and son Philo left Saturday for San Francisco. Mrs. Wood has resigned her position as teacher of the primary grades.

The Hopland baseball team played Cloverdale at Cloverdale Sunday. The game was quite interesting and looked like a defeat for Hopland up to the sixth inning when the score stood 6 to 0. Then the Hopland team played ball and the game was finished with a score of 8 to 7 in favor of Hopland.

Miss Hope Nourse spent the last week-end with friends here.

Percy Hopper and Roy Huston were among those motoring from here to Lower Lake to attend the rodeo Sunday.

Miss Elsie Holmberg left Sunday for Philo where she will visit at the home of her mother for a couple of weeks before going to San Jose to summer school.

Miss Elsie Holmberg and Mrs. F. Bailhache were visitors to Ukiah Saturday.

Mrs. T. J. Geary returned Sunday from a two weeks' visit in San Francisco.

Mrs. Elizabeth Duncan left for San Francisco Monday after a two weeks' visit here.

Mr. and Mrs. Charles Ackerman of Healdbsurg were visitors at the Blalack ranch Sunday.

Mrs. Georgia Doty returned Sunday after several weeks in San Francisco and Santa Rosa.

The Manchester grammar school gives a closing entertainment Friday evening.

MENDOCINO NOTES

(Beacon)

Word was received here this week of the marriage of Mrs. Irene Root, formerly of Albion, to Mr. I. C. Shipley of San Francisco. Mrs. Shipley is a sister of D. C. Crockett of this place and will be remembered by many friends here on the coast, having spent several months here this spring. Mr. Shipley is associated with the Western Telephone & Telegraph Company of San Francisco. Shortly after the marriage ceremony they departed on their honeymoon to the southern part of the state.

The race program outlined for the 4th and 5th of July at the track here is arousing unusual interest among autoists throughout the county. Already a number of entries have been made for the coming events. A line of pipe has been laid the length of the field embraced by the track and every facility has been provided for packing it well and giving it a fine, firm service.

Jesse Nichols, who since his return from Berkeley, has been employed in the Caspar woods sledding out wood for Fred Perkins, met with an accident last Saturday morning, breaking his right leg just above the ankle. He was getting off the train, which was moving slowly, at Camp 6. He stepped off on something that caused him to stumble and fall and as he did so his right foot was caught by a brake shoe of a car and his foot twisted around.

LOCALS

Mrs. L. Turner, of San rFancisco, and Mrs. A. Bryant, of Stockton, motored up Tuesday to spend a couple of weeks with Mr. and Mrs. R. Weil.

NEWS NOTES FROM COVELO

COVELO, June 13.—Mr. A. Lyons of Yontville is here visiting his son, Arthur Lyons.

L. O. Sallady and Austin Ray of Ukiah were in town last week demonstrating a Liberty roadster.

Miss Veva Luce and parents have returned to their home in Ukiah.

Mrs. C. Ford is enjoying a visit from her father, Mr. Scoffield. of Pittsburg, Calif.

Mrs. Bertha Fritz of Arizona is here visiting her mother, Mrs. Hoxie.

Mrs. Betts and daughter are visiting relatives here.

The Covelo grammar school closed Friday for the summer vacation. The exercises by the graduating class were excellent. Much of the work which was given in the exercises was to bring out and show to the parents the real work that had been done and the progress made by the pupils during the term. Miss Blackmere, principal of the school, deserves much credit. The class prophecy by Murry McDonald was very good. The reading and recitations showed that the pupils had received good training in dictation.

The closing meeting of the Community Club for the season was made a festival occasion and was held at the Presbyterian church for lack of room at the club rooms. It served a double purpose, being also a farewell to the Glunz family who are leaving soon. Some of the programs rendered at the high school and grammar school were given again and addresses of farewell were delivered by different ones. The male quartette especially was appreciated, also special singing by Miss Helen Hogshead. A fine recitation was given by Adele Montague entitled "That Old Sweetheart of Mine."

The graduating class of the high school gave the play in which was given their class prophecy, composed by Mr. Barton, principal.

The little play gotten up by the grammar school teachers, Mrs. Robinson and Mrs. Walters was splendid as usual. The children knew their parts so well. It was a very pretty play entitled "Queen Mother." Miss Sableman, Miss Calkins, Miss Jensen, high school teachers, and Miss Blackmere, principal of the grammar school, have returned to their homes.

The commencement exercises of the Covelo Union high school were held at the Owl theatre Friday evening, June 9.

When you look at a 30 × 3½ USCO at $10.90

YOUR tire dealer is naturally enthusiastic when he shows you the 30x3½ USCO at $10.90.

To him USCO has always represented a tire value that he felt more than justified in offering his customers.

At the $10.90 price he can hardly be blamed for putting it to the front as the value he would most like to be remembered by.

* * *

This much to keep in mind—

USCO has always sold as a quality tire of *known standards* and *performance.*

Today at $10.90 it fixes the worth of your tire dollar at a new maximum by reason of its own *distinguished values.*

SALMON CATCH AT NOYO BREAKS PREVIOUS RECORD

FORT BRAGG, June 14.—All previous records of catches of small salmon were broken last week when for the seven days ending Sunday the total catch reached 150 tons.

As a result, the San Francisco market was flooded and large quantities of the fish had to be put in cold storage.

It was also necessary to limit the catches of the fishermen to 200 lbs. for several days. Prior to the time it was not uncommon for single boats to bring in 1000 lbs.

It is probable that one of the canning plants will be started up here if the run of small salmon, which are commonly known as silver sides, continues.

Only 12½ per cent of the fish caught to date weigh over 18 pounds each.

The fishermen receive 5c a pound for small fish and 10c a pound for large ones.

The 150 ton catch last week brought $15,000.

After Famous Herd of Jersey Cattle

L. J. Romer, proprietor of Romer Vista Stock Farm, left last week for Modesto to inspect a herd of pure bred registered Jerseys. This herd belongs to D. F. Conant of the Rancho Santa Marguerita of Modesto who is a renowned breeder of pure bred Jerseys. Mr. Romer intends to enter into negotiations with Mr. Conant for the purchase of this wonderful herd of the Lambert strain, which is one of the largest size of the Jersey breed. Among this herd is a cow which has a record for a very high production of butter fat and which has recently been awarded a gold medal by The American Jersey Cattle Club of New York. Mr. Romer hopes that he will be able to secure this herd of cattle and bring them to his ranch in Ukiah valley.

A. Anderson and family and Mr. and Mrs. Mark Eglin, of Albion, were here to attend the Redmen's convention the latter part of last week.

POW WOW

(Continued from page 1.)

view it for years to come. There is not another of its kind in the country and, it is said, within a few years time all of the Indians now living who know the plans and specifications for building the quaint houses in which the aboriginees dwelt and held their famous Sweat Dances will have taken their journeys to the Happy Hunting Grounds, never to return. Considerable expense will be entailed in building the Indian village and the Fair Association officials will offer to donate it to the town of Ukiah as a permanent attraction. The buildings should last ten years or more with but slight repairs now and then and would serve as an attraction of more than ordinary interest to the thousands of tourists and visitors who will come this way each year.

The music committee, headed by Gus Keller with P. H. Joseph and H. L. DeMotte members, met with the executive officials of the fair Tuesday evening for a discussion as to the plans to reorganize the band to furnish music during Pow-wow week. It will be the policy of the fair association to encourage in every way possible the local organization which is to be directed by W. H. Carr. The new band will be composed of twenty-five or more musicians. Rehearsals are to begin immediately and continued at frequent intervals during the summer.

Exposition Manager William Horstman is busily engaged in lining up exhibits among the larger manufacturers and jobbing concerns of the city. He reports that he has met with splendid encouragement from every quarter, and predicts the Pow-wow will far exceed the fondest expectations of the most sanguine backers at this time.

Secretaries of chambers of commerce and other civic-commercial organizations throughout Sonoma, Humboldt, Lake and Mendocino counties have written in acknowledgment of special invitations sent them to attend the Pow-wow and are pledging their hearty and unqualified support to the success of the project which is intended for the development and advancement of this entire section of the state. Publicity mailed to various papers outside Ukiah is being given choice space and there is a marked spirit of cooperation among the newspapers, it is said.

Ed Eversole and family are returning the latter part of the week from the Eagles' convention. En route they will spend a few days at the Shriners' convention in San Francisco.

William Hoefgen, who organized the Lake County Canning Co. here a number of years ago, was in town last Sunday for a few hours renewing old acquaintances. He is now engaged in ranching in the Delta section.

Among the Fort Bragg Redmen here last Saturday and Sunday for the Redmen's pow-wow were the following: W. H. Carey, F. A. Whipple, J. F. Whipple, S. T. Ackerman, W. H. Snow.

Oscar Sanford came over from his Lake county ranch the latter part of last week, accompanied by his wife, for a few days' visit.

George Shattuck, accompanied by his wife, was in town Sunday from Potter valley. He is a prosperous merchant of that community.

Mrs. DeYoung, of Boonville, was a Ukiah visitor last Monday.

FARM BUREAU PICNIC INCLUDED STOCK SHOW

POTTER VALLEY, June 11.—The second annual Farm Bureau picnic was successfully held at the McGee Grove, Potter Valley.

For several days prior to the day of the picnic the skys had been overcast and the weather looked anything but encouraging for the committees which had worked so conscientiously to make this second annual event a success. However, Saturday morning broke clear and balmy, and a more perfect day for an out-door event could not have been made. The beautiful McGee grove had been put into gala attire, and at an early hour the automobiles begun to arrive and by lunch time it was estimated that fully 300 machines were on the ground, bringing a throng of at least 1500 pleasure seekers. Every corner of Mendocino county was represented. From Point Arena came our former townsman Newt Howe with his genial smile, also Frank Reynolds and family. Round valley was represented by John Bellatti and family. Long valley sent Mr. and Mrs. Sanders Hays, Fred Redemeyer and others. Sonoma and Lake counties sent too many to enumerate. Among Anderson valley residents was Past President Frank Brown. A Farm Bureau picnic would not be complete without Director Brown's presence.

A goodly display of live stock was shown. Among those coming from a distance was the Ridgewood ranch with its almost perfect "white faces," and Mr. Geo. Cox from Preston showing sheep with wonderful golden fleeces.

Potter valley displayed as follows: Jersey cattle, Crafts Bros., March and Wright, G. C. Hunter, Wiley Brooks. Poland China hogs, A. F. Busch, Crafts Bros., Henry Hopper, G. C. Hunter. J. G. Newman showed Holstein calves and Duroc pigs, and A. F. Whittaker Holstein cattle. R. R. Ingels had shorthorns. L. L. Grover, Jud Gowan, A. F. Whittaker and others had a very creditable display of chickens.

Moulton Bros. of Ukiah displayed Cletracs and Mr. Roberts from Santa Rosa, Empire milking machines. L. J. Romer from Romer Vista ranch, showed the results of fertilizer tests conducted upon his ranch under the supervision of Farm Advisor Myszka.

Farm Bureau President F. A. Yates presided and introduced the first speaker, Prof. Nelson. Prof. Nelson is a pleasing speaker and showed the urgent necessity for organization and cooperation pointing out the obligation of all farmers to join and support the Farm Bureau.

Prof. Nelson was followed by Prof. B. H. Rawl, assistant manager of the California Central Creameries who made a vigorous talk on the object of farmers' organization, advancing the idea that any organization must be big enough and broad enough to act and stand for the whole community or it must go down. He said there must be harmony of action by the farmers, the bankers, the butchers, the merchants and professional men, for, what benefits the farm benefits all other business. Prof. Rawl's address was received with much favor and applause, with one exception and that was his insistence on calling Potter valley Round valley—neither valley took this as a compliment.

The stock judging demonstration, by Prof. Thompson on dairy breeds, and another professor from the university on beef, hogs and sheep was very instructive and well received.

Potter valley band furnished excellent music. The band was augmented by the presence of Mr. Maguire and Mr. Carr, of Ukiah.

The day closed with a big dance in Grange hall where standing room was at a premium. Over two hundred and fifty joy makers sat down to a substantial midnight lunch. The music for the dance was furnished by Ralph Duncan's orchestra from Willits, and was all that could be asked. The picnic was declared a huge success by evreyone.

Candidates for political honors were conspicuous by their presence, among those seen extending the glad hand were Judge Preston, Pat Connolly, Attys. Lilburn Gibson and Jim Hurley, Sheriff Byrnes, Frank Reynolds, Newt Howe from the 5th district and many others.

Supervisor Wm. Ross came over from Fort Bragg the first of the week to attend the session of the board of supervisors.

J. E. Pemberton came up from San Francisco the latter part of last week and spent several days in town on business.

WHY THE CHAUTAUQUA?

"Because its diversified program is broad, big, and rich in intellectual and aesthetic culture. It is democratic; made for all ages and for all tates.

Because such a program goes farther in creating in our young people a habit of appreciation of the best in wholesome entertainment than irregular numbers at great intervals.

Because of the intellectual, the artistic, the fun-side of us is recognized. It offers the most for the least money and for the most people. Every dollar of profit goes back into better programs, hence no war-tax. We local people do the work as a service to the community.

Because it demonstrates that jazz and suggestiveness are not necessary for delightful fun making. No one need apoligize for the people who come with the Ellison-White Chautauqua. Our program this year challenges the most fastidious tastes and at the same time the masses of us "average" folks.

Because when we enjoy Chautauqua it enables other communities to enjoy it, too. One town alone could not afford the program, but by sharing the expense with a large number of towns, a hundred or more, Chautauqua can be maintained. Should a town in a circuit drop out, then the chain is weakened. And is it not true that the other towns help us as well as we help them?

We think Chautauqua is well worth all the trouble and expense that it may cost."—El Paso, Texas, Herald.

LIVESTOCK NOTES

A Public Service that Gets Results

One hundred eighteen dollars and eighty cents reckoned according to present day values, may not be considered a very large sum but—suppose you bought a large bill of goods and you were overcharged that much?

To get a fair esimate on your loss in such a case just figure up the principal with $118.80 as the interest at 6 per cent! Quite a tidy sum! Now suppose you didn't know you were overcharged? Well that is what is happening every day all over the country and that's exactly the service that the Division of Weights and Measures of the California Department of Agriculture is trying with all its might to correct.

Recently a certain party, according to the records of the Department of Agriculture purchased "89 reels of hop twine." Contrary to the "law" the sale was effected on basis of the "gross weight" and the innocent purchaser paid in full on that basis. So far—so good—but here is where the Division of Weights and Measures interevenes in behalf of the purchaser or the consumer.

The transaction was reported, investigation was made and an adjustment made in favor of the purchaser, who had been charged an excess of "4 pounds 1½ ounces per reel for 89 reels." The offending firm who sold the twine, promptly remitted their check of $118.80 which the Department of Agriculture promptly forwarded to the purchaser.

And this is only one, of thousands of such transactions corrected by this division of the department every calendar year. In the face of such records would it not be fair to state that such service is not only meritorious but also self supporting?

Preparing for Grasshopper Invasion.

The season of the year is now here when grasshopper injury may be expected to cultivated crops and orchards located in the near vicinity of uncultivated areas, says Theo. D. Urbahns of the California Department of Agriculture. In districts where the native grasses are drying very rapidly the grasshopper pest may be driven into the cultivated fields in search of green food. Fruit growers and farmers should be cautioned to be prepared and have the necessary materials on hand for the preparation of grasshopper poisons so that the pest can be destroyed before they actually begin to feed upon the cultivated crops. Being properly prepared may save hundreds of dollars and frequently prevent the destruction of young trees or a severe setback to their growth. Grasshopper poisons may be prepared by thoroughly mixing 1 pound of Paris green, ½ dozen ground lemons, 2 quarts Black Strap molasses and 3½ gallons water with 25 pounds of wheat bran. The prepared grasshopper poison may also be secured on the market and in a form ready to mix with the water and bran at the time it is to be used.

Food for Thought.

At the Chicago livestock show a doctor stood admiring a large, fat hog when a small boy standing by piped up: "That's my father's hog. He got first prize."

"Wonderful," said the doctor. "Certainly a fine hog." Then he looked at the boy, "How old are you, son,"? he asked.

"I'm twelve past," said the boy.

"Why," said the doctor, "you are small for a nine-year-old! What do you eat and drink?"

"Just what the rest of the folks do—bread, meat, pie, potatoes, coffee, cake, tea."

"But," queried the doctor, "don't you drink milk?"

"Naw," said the boy in a tone of disgust, "we feed the milk to the hogs."

Since milk is known to be an extremely valuable food the California Department of Agriculture suggests that it be given more consideration in the diet of children. A plump milk-fed girl or boy will win the owners a large premium any time and will also add to the attractiveness of the home.

FORD NEARS OUTPUT OF 5000 CARS A DAY

Ford dealers in the United States have asked for a total of 194,750 Ford cars, trucks, and tractors to meet their June requirements, says a statement issued by the Ford Motor Company, Detroit, Michigan.

As a result, the estimated output for June has been boosted to 140,000, which is an increase of 10,000 over the previous month, and, of course, will set up a new high record, in spite of the fact that the May output will show a substantial increase over the previous highest month.

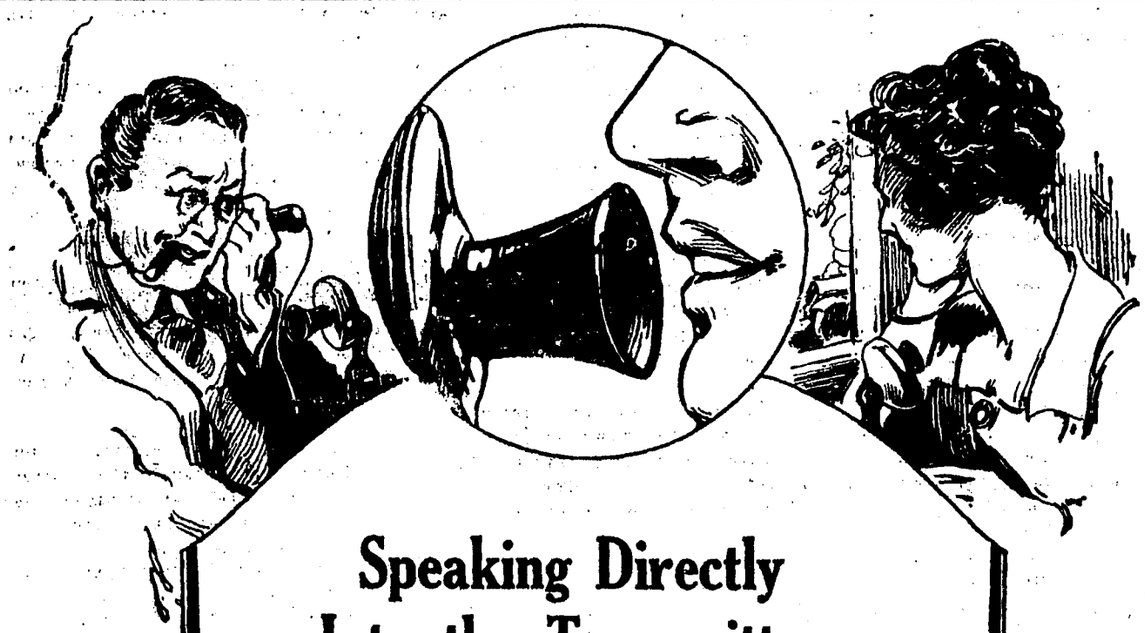
Ford sales have been constantly increasing since the first of the year, the demand growing during the past two months faster than it has been possible to increase production.

Monday May 16th, brought forth a new record of cars built for one day, the figures reaching 4878 at the close of the day's work. This was an increase of 16 over May 15th, when the previous high mark was established.

On May 18th, the six millionth Ford motor was assembled. Number five million came off the line May 28th, 1921.

Ford officials state that every attempt is being made to build a sufficient number of cars and trucks to fill the retail requirements of their 8,000 dealers.

A number of Mendocino members of the Redmen were here last Saturday for the Redmen's pow-wow, among them being Chas. Tannlund, John Mendosa, Frank Dilling, and Archie Gordon.



Speaking Directly Into the Transmitter

Clearness and distinctness of speech is of course the foundation of a satisfactory telephone conversation.

The transmitter of the telephone is the result of years of study and experimentation by telephone engineers. It is of delicate adjustment and its fullest effectiveness can only be obtained through proper use.

The lips should not be more than an inch from the transmitter, and the voice should be clear, not loud.

Speak directly and distinctly into the mouthpiece. This will mean your satisfaction and that of the person with whom you are talking.

Republican Land Slide of 1904

The "Rise" of D. H. Lawson, Supervisor

Roosevelt Carries County By 1416

By J. B. SANFORD

The Roosevelt republican land slide of 1904 far exceeded the McKinley land slide of 1900, but despite that the democrats elected D. H. Lawson and M. L. Gibson to the board of supervisors, thereby holding the board democratic. The contest was over the assembly and three members of the board of supervisors, and for the unexpired term in the third district.

T. E. Long, who was elected from the third district in 1902, died in office, and Governor Pardee appointed A. J. Fairbanks, of Willits, to fill the vacancy.

For the assembly, the democrats re-nominated F. M. Weger. For supervisors, they nominated D. H. Lawson in the first district, M. L. Gibson in the second and H. D. Rowe in the third, and John Flanagan in the fourth.

The democratic national convention met in St. Louis and nominated Alton B. Parker for President. J. B. Sanford was a delegate to the convention to represent this district. Theodore A. Bell was re-nominated for congress.

The republicans nominated Theodore Roosevelt for president and named Duncan E. McKinley for congress for this district. W. D. L. Held was nominated for the assembly and for supervisors the following: First district, R. H. Rawles, re-nominated; second district, Charley Busch; third district, A. J. Fairbanks, re-nominated for unexpired term; fourth district, Len Barnard, re-nominated. A. J. Bledsoe was an independent candidate for the assembly.

The vote was as follows:

President—Roosevelt, Rep., 2906; Parker, Dem., 1490.

Congress—McKinley, Rep., 2476; Bell, Dem., 1941.

Assembly—Held, Rep., 1917; Weger, Dem., 1661; Bledsoe, Ind., 996.

Supervisor First Dist.—R. H. Rawles, Rep., 233; Lawson, Dem., 230.

Supervisor Second Dist.—Busch, Rep., 511; Gibson, Dem., 631.

Supervisor Third Dist.—Fairbanks, Rep., 578; Rowe, Dem., 293.

Supervisor Fourth Dist.—Barnard, Rep., 881; Flanagan, Dem., 646.

Nationally, the democrats entered the contest discouraged from the beginning as they knew Roosevelt was a popular idol. They made a frantic effort to re-elect Theodore A. Bell to congress, but the land slide took him down to defeat although he ran thousands of votes ahead of his ticket. Weger made a good showing for the assembly and ran several hundred votes ahead of his ticket, but went down in the land slide.

For supervisor, the contest shifted to the first district where D. H. Lawson was pitted against R. H. Rawles who was a candidate for re-election. Lawson won by 47 majority, running considerably ahead of the ticket. M. L. Gibson won over Busch in the second, and A. J. Fairbanks and Len Barnard won out in their districts.

This might be termed the "rise" of D. H. Lawson, of Boonville, who was elected to the board of supervisors and made one of the best supervisors the county ever had. He was re-elected again in 1908 for a number of years. He was known as the taxpayers' friend throughout his two terms.

LETTER FROM LOWER POTTER

CENTERVILLE, June 14.—Tom Moore visited his son-in-law Shird Burris Sunday. Miss Estelle Moore returned to Ukiah with them.

Mr. and Mrs. Bill Gillespie, Fred, Clifford and Irma Gillespie, Mrs. Lee Knighten, Eldora and Laura Knighten, motored to Boonville Monday.

Arthur Griffit's smiling face was seen in our valley Tuesday.

Clarence Hardin entertained a group of his friends at an unusually delightful picnic party Saturday evening at the "Brower Dam." Music and singing and bathing and games were enjoyed. Dainty refreshments were served at midnight, consisting of hot weinies, buns, ice cream, cake, oranges and bananas.

The happy household of Mr. and Mrs. Finas Vann was transformed to a scene of sorrow last Sunday by the loss and companionship of their little boy.

The little one, of the age of three years, was sick about a week. The funeral was conducted Tuesday afternoon by Rev. Pollard of Centerville. The family have the heartfelt sympathy of our entire people in their hour of bereavement.

Miss Irma Gillespie passed through Pomo Monday on her way to Ukiah where she expects to be the guest of Mrs. Phyllis Brower for a few days.

The graduating exercises Friday evening were well attended. There were four high school graduates and 13 grammar school graduates. Those graduating from Pomo were: Miss Frema Goodrich and Alton Knighten.

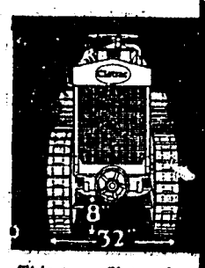
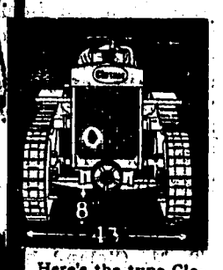
The New Cletrac "F"— Ideal for Orchard Work



This type Cletrac is an all-purpose tractor with special qualifications for orchard work on level ground. Works easily over wet or sandy soil. Weighs only 1820 lbs. Quickly convertible into either of the other two types.



Here's the type Cletrac F built especially for the fruit grower whose orchard or vineyard is on hilly or rough ground. This type can be quickly changed to either of the others.

HERE'S the tractor you've been waiting for—the new Cletrac Model F—with all the dependability of its famous tractor mate, the Cletrac Model W, and it sells at a price lower than we thought it possible to name for a high grade crawler-type tractor.

Compact—low-set—smooth-bodied—Cletrac F works under and around the trees without "catching" or tearing low-hanging branches. It works closer to the trees than horses can—leaves no uncultivated patches—turns short into the next row of trees. Its remarkable power enables it to handle all the farm jobs you put up to it outside the orchard—belt work, hauling, and *cultivating*, too.

One hour of demonstrating in your orchard or vineyard will convince you that you have never before been offered a value in tractors such as this. Come in and talk it over. See the only tractor built without a single oil or grease cup!

This type Cletrac F is built especially for truck garden and potato work. Straddles the row in cultivating potatoes and truck crops. Has unusual clearance. Is quickly convertible to either of the other sizes.

UTILITY SECURITIES GOOD INVESTMENT FOR WOMEN

There are at present 201,000 persons owning stock in the American Telephone and Telegraph Company, a majority of whom were women. Commenting upon the value of public untility securities as attractive investment for women the Public Service Magazine says:

"What Mrs. Antoinette Funk of Illinois said in addressing the convention of American Electric Railway Association regarding women as investors in public utilities securities ought to go home to every public utility in the country, as well as to every woman with money to invest. This is what she said:

" 'Business generally does not recognize the vast possibilities of interesting women in investments. Apparently, it is not realized that one-third of all women in the United States today are wage earners and that most of them may be interested in safe investments. This was shown to be a fact during the war when the Women's Liberty Loan Organization of the Treasury Department, of which I was a member, was instrumental in selling approximately $5,000,000,000 worth of Liberty Bonds, or almost one-fourth of all that were sold.

" 'Honest public utility management with safe securities not only can obtain financial backing from women but thus it also can interest them in the general welfare of utilities. When women own a part of their local utilities, they will understand their problems and no longer will be swayed by the demagogues who seek personal success through assailing public service corporations.' "

Chas. Ward almost severed one of his fingers with a knife while working at the slaughterhouse Wednesday.

Dave Jamison came down from Covelo the first of the week on a short business trip.

IN MEMORIAM

Joel W. Vann.

One of Mendocino county's pioneer settlers passed away in Ukiah May 29, 1922. He was born July 9, 1840, in Missouri. Came to California when a small boy. Settled in Potter valley in 1857. Has made his home in Mendocino county ever since. He was married to Miss Sarah Broaddus December 23, 1875, in Round Valley. This union was blessed with three children: Mrs. Carrie Dunn of Thorn, Cal.; the late Mrs. F. C. Thomsen of Ferndale and Ernest J. Vann of Wesport. He is survived by the widow, one daughter, Mrs. Carrie Dunn and son, Ernest J. Vann, and six grandchildren to mourn his passing.

"Such was our friend. Formed on the good old plan. A true and brave and downright honest man. His daily prayer was simply doing good."

FORT BRAGG NEWS NOTES

FORT BRAGG, June 14.—Abel Dorffi, a well known pioneer settler of this coast, passed away at the home of his son Sunday afternoon at the age of 73 years.

Deceased came to California 41 years ago and since resided hereabouts. He leaves to mourn his loss a son and daughter—Alfred Dorffi of Fort Bragg and Mrs. Clarence Libby of Los Angeles.

Word was received by Leonard Stone yesterday from Victor, Colorado, to the effect that Frank Pound died there Monday at the home of his sister, Mrs. S. A. Hackley.

Deceased left here last week for Colorado in the hopes that the change would prove beneficial to his health.

Mrs. Christina Nelson passed away at her home on the Sherwood road Friday evening after a long illness.

She was born in Finland and at the time of here death was 61 years of age. She came to this state 34 years ago and resided here about 30 years.

She leaves to mourn her loss four daughters.

A white leghorn hen on the John Todd ranch at Noyo broke all records this week when she produced an exceptionally large egg. It measured 8½ inches one way and 6½ inches the other.

WOULD ISSUE BONDS

The California Telephone & Light Co. has made application to the railroad commission for authority to issue and sell $100,000 6 per cent bonds at not less than 94 per cent of their face value, and to use the proceeds to finance additions, betterments and improvements to its electric and telephone plants. The company's principal place of business is Santa Rosa, and it operates in the counties of Mendocino and Lake.

Raymond Hill, Ben Haydon and Dean Bennett, all prominent residents of the Covelo section, were here on witness duty in the superior court Wednesday.

LOCAL REDMEN HOSTS TO BIG CROWD OF VISITORS

June 10 and 11 were red letter dates in the history of Redmanship in Ukiah for on those dates Yokayo tribe, of this city, entertained the Past Sachems' association of the northern coast counties. In all some 250 delegates were present.

Delegations from the south arrived in a special car Saturday evening and were met at the depot by the local tribe, Keller's band and the high school drum corps. The Redmen paraded from the depot to the Palace hotel. The degree teams were in costume and the parade was led by two scouts, in Indian costume, carrying torches of red flame that illuminated the streets. A short concert was given at the Palace hotel for the visitors following the parade. At 9:30 o'clock Yokayo tribe held a special meeting in I. O. O. F. hall at which time a large class of palefaces were adopted. Degree work was put on by the Santa Rosa team, which is reputed to be one of the finest in the state.

The Great Council of California awarded Yokayo tribe a beautiful American flag for having the largest number of candidates for adoption.

Among the state officials present were C. G. Selleck of San Diego, great sachem; Porter L. Bliss of San Francisco, great chief of records; W. B. Corrick of Santa Rosa, great senior sagamore; E. J. Egan, great sennap; L. V. Nightingale, great guard of the forest; C. R. Winsby, past great sachem.

On Saturday morning the Past Sachems' Association convened in Redmen's hall. After the meeting a welcoming address was delivered by James R. Elder, district deputy great sachem. C. G. Selleck responded on behalf of the delegates. Short talks by other officials was followed by adjournment to the Ukiah municipal park where a barbecue was served in honor of the visitors by Yokayo tribe and Kewanna Council, Degree of Pocohontas. About 350 pounds of beef, mutton, and pork was barbecued by Arch Reynolds and Perle Hubbard. A silver tomahawk was presented Yulupa tribe of Santa Rosa for having the largest number of past sachems in attendance at the convention.

Cort Italia Holds Social Picnic Sunday

Court Italia Bella, No. 257, Foresters of America, held a social picnic last Sunday at the Wayne Crawford ranch. This is the first out-of-doors party to be given by the lodge and it was attended by such a large gathering that others may follow. The thanks of the lodge are due Mr. Crawford, who kindly donated the picnic grounds.

Following the picnic, dancing took up the afternoon, music being furnished by Alex Pacini.

The following guests were invited outside the lodge membership: Mr. and Mrs. Wayne Crawford and family, Mr. and Mrs. Will Owsley, Mr. and Mrs. Percy Eckhart.

Chief Ranger A. Mazzanti and Secretary A. Broggi, of the lodge, worked hard to make the affair a success. In a short time it is planned to have a big class initiation and another out-door picnic.

The chief cook for the feed was L. Colombini, under whose direction the spread was put on in a most appetizing manner.

CHARIOTEERS COMING FOR ONE NIGHT HERE

The Salvation Army Charioteers Brigade will arrive here next Thursday from San Francisco and remain one night only. The Charioteers have been selected for this trip from a list of more than 200 officers because of their peculiar fitness for this work. They are making a tour through 13 western states in a huge auto truck especially constructed for the journey. It contains a kitchen, dining room and sleeping quarters for seven persons. The caravan will visit remote sections of the country this summer, carrying the gospel message to those who otherwise would not have an opportunity to hear it.

Special musical services will be held in the M. E. Church, South, at 7:45.

COAST WOOL INDUSTRY SHOWS HEALTHY STATE

FORT BRAGG, June 14.—Sheep raisers of the Mendocino coast section will realize approximately $37,670 from their wool this year. The average price paid on the coast this year was 45 cents, an advance of over one hundred per cent over last year.

The past winter was very hard on the sheep in the interior part of the county, in some cases over one-third of the flock dying. On the coast, however, the loss was very light.

This years price is considered to be a life saver to the sheep raisers. Mutton is also demanding a good figure.

It is understood that all the wool on this coast, with the exception of Ross Bros. and Ira Thompson's, has been bought. Ross Bros. have not clipped yet, and rumor has it that Thompson expects to hold out for a better price.

The coast wool is distributed as follows:

Elk south, pounds	45,000
Caspar to Elk, pounds	12,000
North coast, pounds	25,000
Total pounds	82,600

STANDARD BATTERY BEST SAYS LOCAL BATTERY MAN

"Just as good as a new one" is a statement often made and seldom true. The need is for the good battery, the standard battery of honest construction but many battery fixers have fallen for the idea that they can build a battery as well, but a lot cheaper than the manufacturer who uses volume production methods and who has the pick of the market for supplies.

"The rebuilt battery, "says Mr. Geo. D. Merk, local Willard service station man, "is often made of parts from discarded batteries which have just enough more life in them to get by the purchase date. A few new parts may be added, a new case and a lot of new paint and then the sad refrain "just as good."

The car driver who wants satisfactory battery operation is advised by Mr. Merk to go to the authorized battery service station representing a standard make of battery. He is then getting more than a battery, he gets a battery with the reputation of a manufacturer who has thousands or millions of dollars invested in plant and equipment behind it.

SCHOOL TRUSTEES, ATTENTION

Ukiah, Cal., June 14, 1922.

The school law of California requires that in order for any school district to receive money for next year there must be 160 days of actual teaching for the school year ending June 30, 1922.

You should therefore be particularly careful to attend to the matter of keeping your school in session until you have the required 160 days.

During the year circulars covering this matter have been sent to all boards of trustees in the county, but your attention to this mater at this time is vital to your district.

Signed: ROY GOOD,
County Superintendent of Schools.

A LUNCHTIME TIP!

Milk is the noontime beverage—satisfying, nourishing. A cool, rich, creamy milk shake will top off your lunch and send you back to the office or workshop invigorated, and ful of pep for the afternoon's work. At the Cecille Hotel buffet the best drinks taste better. 32-tf

JOHN L. McNAB TO SPEAK

John L. McNab will speak at the Presbyterian Church on Sunday evening, June 25, on the Magna Charta, or great charter of English liberties wrested by the barons of England from King John in June 1214 The celebration of this event has assumed international proportions since the close of the war. Other churches are planning to unite in this service and all are invited. The meeting will be at eight o'clock.

DIES IN SAN JOSE

Elton R. Bailey, a brother of Clark Bailey of this city, and himself formerly well known here, passed away in San Jose last Saturday morning. He was 62 years of age and leaves a widow, two daughters, and two sisters, besides his brother Clark, of this city.

Supervisor Frank Reynolds came over from Point Arena on official business the first of the week.

BAPTIST CHURCH SESVICES

SUBJECT SUNDAY, 11 A. M.

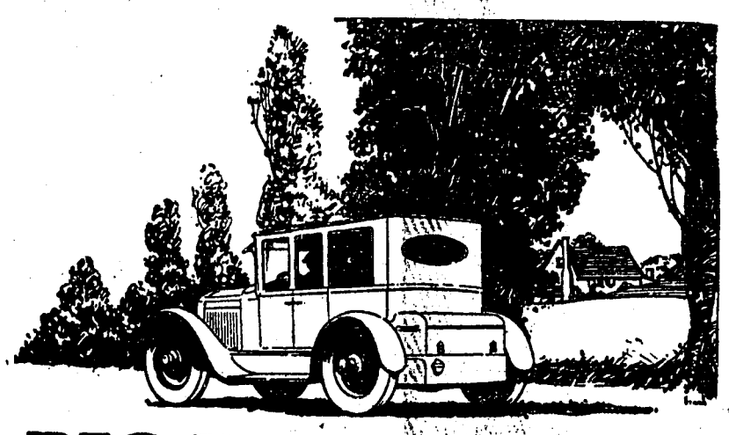
Does a Real Christian Ever Sin?

If you are not absolutely clear on this subject you ought to come and hear it discussed.

SUNDAY, 8 P. M.

The Second Coming of Christ and the Child of God.

Don't fail to hear this sermon, it will be followed soon by "The Second Coming and the Sinner."



BIG POWER *for* BIG AUTOMOBILES

You selected your car carefully for quality. Select your motor fuel the same way. It's unfair to feed a good car an inferior gasoline.

"Red Crown" answers completely the automotive engineer's demand for a motor fuel that will vaporize rapidly and uniformly in the carburetor and explode cleanly in the cylinders. *All* the heat units it contains are converted into power at the drive wheels.

"Red Crown" is uniform in quality—every gallon is the same, wherever and whenever you buy it.

Fill at the Red Crown sign—at Service Stations, at garages, or other dealers.

ADDENDA NOTICE

PROPERTY TO BE SOLD AT PUBLIC AUCTION ON JUNE 27, 1922, FOR DELINQUENT TAXES OF 1916.

Public notice is hereby given that the five-year period allowed by law for the redemption of property sold to the State for the delinquent taxes will have expired on the 27th day of June, 1922, on all of the property sold to the State for delinquent taxes in the year 1917, as herein listed (unless redeemed or cancelled on or before the date of sale), and that pursuant to the provisions of Section 3771a of the Political Code, I, Lee Cunningham, as County Tax Collector of the County of Mendocino, will on the 27th day of June at 10 o'clock A. M. of said day, and continuing each day thereafter, if additional time is required to complete the sale, in the Tax Collector's office, in the Court House in the County of Mendocino, State of California, the undersigned Tax Collector will sell at public auction to the highest bidder for cash in lawful money of the United States, the several parcels and lots of property herein described. That no bid for said property will be accepted for less than the amount of all taxes, penalties and costs due on said property for the year, the same was originally struck off and sold to the State in 1917, which minimum amount is set forth opposite the description of property of said list. After such bid has been made and accepted the right of redemption shall cease except as to the purchaser, who shall have thirty days within which to pay by redemption any and all taxes, penalties, costs and interest and charges which may have accrued against said property by reason of any tax-sale or delinquency. After acceptance of bid for such property, right of redemption (except by the purchaser) shall cease.

LEE CUNNINGHAM,
Tax Collector of Mendocino County, California.

Corinne Griffith

One of the greatest American critics recently proclaimed Corinne Griffith as "one of the three most beautiful women on the 'movie' screen." At the age of eighteen she was crowned queen of the "Mardi Gras" at New Orleans. Miss Griffith's dress creations have set the vogue for millions of her admirers. She has come to be known as the best gowned woman appearing in motion pictures. She is a Texan by birth. This is one of Miss Griffith's latest pictures.
